

STONE LIGHTING

The Dazzle Collection is comprised of hand-crafted semi-precious metals of woven solid Gold, Silver, Copper and Brass rods to create the popular look of mixed metal finishes. It is available as pendants, sconces, and ceiling-mounted fixtures. www.stonelightning.net

ALLEGRI

This four-light wall bracket, part of the Vermeer Collection, brings the look of upscale bling to the bath with its Chrome finish and exclusive clear Firenze crystal. www.allegri水晶.com
