

PHILLIPS COLLECTION

Designed by Brittany Dasso, the Halo table lamp measures 21" high x 18" wide x 18" diameter. It is UL-listed and applicable for both residential and hospitality settings.

A-202

ALLEGRI

Inspired by the De Stijl art movement of the Netherlands circa 1917-31, each fixture in the Vermeer collection is comprised of rectilinear lines of clear crystal prisms and finished in a choice of either Chrome or Black Pearl.

A-208

THUMPRINTS

Made in the USA, the 31"-high Raven table lamp features a marbled ceramic base and a shallow drum hardback shade in a Pewter silk blend with a Silver lining. It is equipped with a three-way socket and can be ordered in custom colors and finishes.

C-O367

NOVA

The Issey table lamp stands 24 inches high and boasts a black and Brushed Nickel color scheme. It is topped with a white linen shade and takes a 100-watt bulb.
